**Corbin Graves:**

Uh uh. We need you to operate the camera.

**Duane**

I thought Olga was the tech girl.

**Corbin Graves**

Ah. She's a girl. Girls are too dumb to figure out technology.

**Olga is in the background beating up thugs and taking apart a gun while Corbin can't figure out how to open a beer can which he tries biting open. Duane opens the can easily for him**

Corbin want beer now!

**Olga**

Look

**Corbin**

Hey she finally learned how to speak!

**Olga**

Actually I am fluent in 86 different languages and dialects

**Corbin**

Duane! Olga learned her very first word!

**Duane**

I've never been so proud

**Olga (thinks in Russian)**

Their deaths shall be slow and cruel

**Shows the sign reads:**

*Ahh! Real Monsters!*

**Duane**

I dunno. I think we should go back.

**Corbin**

Oh stop being a big baby. What's the worst that could happen.

*Olga explodes*

**Duane**

Um That.

**Corbin**

Girls are just weird like that.

**Duane**

They explode for no reason

**Corbin**

Some day you'll understand.

**Old Man riding away on a bicycle:**

You're doomed.

You're all doomed.

**(Bicycle explodes)**

**Corbin, Olga and Duane watch in confusion**

**Duane:**

I've got a bad feeling about this place.

**George Kelly:**

Welcome! I'm George Kelly!

Make yourselves at home.

**(skeleton falls in the background)**

**Corbin Graves:**

Thanks.

Could you tell us about the hauntings?

**George Kelly**

Yessirreebob. I remember the hauntings like they were yesterday.

**Corbin Graves**

What happened?

**George Kelly**

Well it all began yesterday when I was cooking myself some breakfast.

**Flashback:**

**George Kelly pours himself a bowl of cereal and milk. Puts in the microwave for 30 seconds. And when he opens the door again. It's a steak.**

**George Kelly (narration)**

I was minding my own bidnezz watching the telly when by golly I sees a ghost!

**TV (Bill Cosby Ghost Dad)**

Bill Cosby: You put the jello in the pudding and that's how I became your ghost dad.

**George Kelly:**

Jumping Jehosphats it's a g—g—ghost!

**Ghost**

George Kelly. On this night you shall be haunted by 3 terrible spirits!

**George Kelly:**

Is one of them Patrick Stewart?

**Ghost:**

No. Why would they be Patrick Stewart?

**George Kelly:**

Haven't you seen the movie Ghost where Patrick Stewart comes back from the dead in order to rescue his gay lover Roger Moore from the killer death bot bent on world domination played by Whoopi Goldblum?

**Ghost:**

...So anyways. You're gonna be haunted by three terrible spirits. Best of luck to you. You'll need it!

**Juan Deere:**

Well that sucks.

**George Kelly:**

Yeah...wait how did you get in my house?

**Juan Deeres/George Kelly:**

**Corbin Graves**

Tech girl has been kidnapped by ghosts!

**Duane**

Oh no! What do we do?

**Corbin Graves**

Isn't it obvious.

We're gonna rescue tech girl...

RIGHT AFTER THESE MESSAGES!

**Audience clapping**

clap clap clap clap

**Corbin Graves**

You know as a paranormal investigator I get a lot of weird looks and questions but the one question people ask me the most is "Corbin Graves how do you get your hair so styling?" And today I give you my answer

It's the latest product from John Frieda Kahlo:

Hot Sauce

and here is the inventor of Hot Sauce himself. John Frieda Kahlo

**Audience clapping**

clap clap clap clap

**John Frieda Kahlo**

Thank you. Thank you. Now shut up.  
I am John Frieda Kahlo. This is ze Hot Sauce!

It is perfect!

**Audience member**

How does it work?

**John Frieda Kahlo**

Shut up! You will speak when spoken to. I am John Frieda Kahlo! I demand your love!

**Corbin Graves**

One of our lucky audience members will get to try Hot Sauce here today

**Olga Chaunchaugh (talking to herself while typing on a computer)**

At last Comrade I have managed to get away from those Capitalist pigs and now I have the codes for the missiles!

**Corbin Graves**

And we have our lucky winner! It's Olga!

**Olga**

What!?! I'm not even in the audience. This is a mistake

**John Frieda Kahlo**

John Frieda Kahlo makes no mistakes. Only beautiful hair! Come woman! I make you into art!

**Olga**

My hair is perfectly fine as is..

**John Frieda Kahlo**

Trash!! Your hair is trash! I spit on your hair. Make it shine!

Now. First step. Very crucial!

Pour Hot Sauce in bowl.

Next is step two. Mix. You must mix like you never mix before. Let that sweaty passion flow right into Hot Sauce.

Finally pour Hot Sauce onto hair.

**Olga**

God damn that stings! My eyes!

**John Frieda Kahlo**

You hear that my friends. That is the sound of Hot Sauce transforming her trash hair into perfection

**Olga**

You could of warned me before you pour tabasco over my head!!

**John Frieda Kahlo**

That will be \$500.

## **Returns back to the show with Corbin interviewing George Kelly**

**Corbin**

You said that the jukebox turns on by itself

**George Kelly**

Every Tuesday night like clockwork. Speaking of which...

**Juke Box**

Muhnannana TOUCH MY...

**George Kelly**

Like I said. Clockwork.

So what was your plan again?

**Corbin**

I figure we lock ourselves inside and then I would yell and taunt forces beyond our understanding.

**George Kelly**

Well you do that. I'm gonna lock up the place and wander aimlessly in the woods.

If you need anything to eat don't go in my fridge because I will shoot you.

See ya.

**Corbin (Narration)**

Several hours later.

**Corbin**

You're all stupid!

**Duane**

Corbin...I don't think that's gonna work.

**Corbin**

Oh and I suppose you think you're the paranormal expert! Well I'll have you know that I have studied the paranormal for five years! So what makes you think that it's not gonna work.

**Duane**

The first 800 times you tried it.

**Olga**

Look. Something moved

**Duane**

I thought you were kidnapped by ghosts

**Olga**

I arm wrestle grizzly. Ghost. No problem.

**Corbin Graves**

You hear that!

**Voice**

munanana touch my

**Duane**

I'm outta here!

**Duane bumps into someone**

**Duane**

G—gh—ghost?

**Zeke Deadmen**

Ghost? Haha. Not me

My name is Zeke.

**Singers**

Zeke!

**Zeke Deadmen**

Zeke Deadmen. World's greatest medium.  
I'm here to help you rescue Olga!

**Duane**

Well actually she already came back and...wait where she go again?

**Corbin**

She got kidnapped again when Zeke introduced himself

**George Kelly:**

Everything alright in there?

**Corbin is projectile vomiting**

**Duane**

No. Not really.

**George Kelly**

Ok. Cool.

Just as long as you don't touch my fridge.

**Duane**

Wait...!

**Corbin**

baaaaaaaarrrrrffffff

Ok. I think I'm good no...

baaaaaaaarrrrrffff

Spoke too soon.

**Duane**

At least puke in this trashcan

**Corbin opens the trashcan...which then reveals a hologram of Olga dressed like Princess Leia**

**Olga (hologram)**

Help me, Zeke Deadmen. You're my only hope!

**Duane**

We have to wake him up

**Corbin (with cymbals)**

No sweat

**Duane**

Um I'm not sure if that's the best idea. I mean he is the world's greatest medium and if he wakes up too abru

**Corbin crashes the cymbals**

Clang

Zeke wakes up suddenly and then Duane and Corbin are thrown backwards across the room

**Zeke Deadmen**

So the Three Spirits finally show themselves!

**Duane:**

We've been fighting the spirits the whole time! Took you long enough to wake up.

**Zeke Deadmen**

Hush boy. Those were mere whispers in the dark.  
The three spirits that George Kelly spoke of have been unveiled:

The first spirit is...

**Zeke waves his arms around, spins and then points very dramatically at the revealed spirit:**

The Ghost of Waxed Mustaches and ten gallon hats

**Ghost of Waxed Mustaches**

Much obliged

**Zeke Deadmen**

The second ghost is

**Zeke spins around again**

The Ghost of Cardboard Cutouts of Patrick Stewart

**Ghost of Cardboard Cutout Patrick Stewart**

I love you Rooger Moore. I've always loved you.

**Photo of Roger Moore**

Ditto

**Duane**

Why? Why would you do that?

**Olga points to Zeke Deadmen who is standing next to the cardboard cutout of Patrick Stewart**

Oh don't take it so personally. It's not like I really care what happens with you two dolts.

It's that guy that I truly want to destroy.

**Duane**

Patrick Stewart?

**Olga**

No, you fool.  
Zeke Deadmen!

I shall destroy Zeke Deadmen! Once and for all!

**Zeke Deadmen**

Oh you think you can take on the great and powerful medium Zeke Deadmen

**Zeke Deadman is thrown to the ground by an invisible force**

**Olga**

Matter of fact. I do.

**Zeke**

Ouch

**Duane**

You were a ghost this whole time?

**Olga**

I am the volunteer test subject of a Kremlin paranormal experiment.  
Think of it like an out of body experience.  
My mission is to destroy threats to the motherland.

**Corbin**

Like Duane?

**Duane is hiding in the corner**

**Olga rolls her eyes**

Yes because Duane is oh so threatening.

But enough talk. It's time to say good bye.

Good riddance Zeke Deadmen.

**Duane**

Noooooooooooooooooooooooooo!!

**Hank**

Awooooooooooooooooooooooo

**George Kelly**

You're not eating my food are you? No. Ok Good.

**Corbin**

Hey tech girl.

Think fast.

**Corbin tries to throw a tomato at Olga but she just catches**

**Olga**

Seriously? A tomato. What the hell did you expect a tomato would do to me?

**Corbin**

Slow you down.

**Olga**

Ha. You could never stop me. I'm way faster than you.

**Zeke**

But not fast enough.

**Zeke shoots a laser beam from his hand but Olga uses a mirror to deflect it away.**

**Olga then uses her psychic powers to pin Zeke, Duane and Corbin against the wall**

Any last words?

**Corbin**

Yes....

**Corbin**

(Corbin then says every swear word he can think of nonstop before Olga knocks him out)

**Olga**

Vulgar piece of garbage

**Duane**

How dare you!  
You want to do harm to us?

Do harm to Zeke

**Zeke**

Oh hell no!

Attack coward boy

**Duane**

Coward boy? Easy for you to say when you got friggin psychic powers up your sleeves

**Olga**

Shut up you morons and just die already...HUH?

**Olga is then attacked by...GHOST PUPPIES!**

Bark bark bark

awoooooooooooooooooooooooooooo

**Olga**

ack make them stop! Make them stop! It tickles!

**Zeke Deadmen**

Olga Chaunchaugh you're under arrest for ghost murder 1. Book them Danno.

**Duane**

My name is Duane

**Zeke**

Whatever

**Hawaii Five-0 credits**

**George Kelly**

So Olga was the ghost this whole time!?

**Duane**

Pretty much. Nearly killed us all!

**Olga**

And I would've got away with it if it weren't for those meddling ghost puppies!

**Zeke**

Once again. Zeke Deadmen saves the day.

**Duane**

Actually I'm pretty sure that was the ghost puppies. You kinda just made it worse.

**Corbin talking to a reporter**

Me? Scared? Nah, ghosts don't scare Corbin Graves. Me and my team. We're paranormal experts.

**Juan Deere**

Tacones. Mouth it.

The End
